Dear Mr. Douglas:

We are pleased to inform you that the Centers for Medicare & Medicaid Services (CMS) reviewed the technical corrections requested in the acceptance letter dated December 2, 2010 and various other communications and meetings between the State and CMS and have incorporated the required changes into the Special Terms and Conditions (STCs) and expenditure authorities. Attached to this correspondence are those documents revised for technical accuracy. They are effective November 1, 2010 through October 31, 2015.

It should be noted that any change to the budget neutrality agreement requires an amendment and cannot be processed through the technical corrections process.

CMS looks forward to the continued success of California's Bridge to Health Care Reform section 1115 demonstration project. If you have questions regarding the terms of this approval, please contact me at (410) 786-6616 or Ms. Maureen Skehan, project officer for the demonstration project, at (410) 786-1068.

Sincerely,

Richard Jensen
